## Music Department Chooses Soloists For Christmas Play

Members of the cast for Menotti's "Amahl and the Night Visitors," which will be presented by the music, speech and drama, and physical education departments for the Christmas assembly, December 18, are being chosen.

Double casting is being done for most musical parts. Solo parts assigned so far are Edwin Stock, Charles Hagee, and Carl Redmon, Three Kings; Stephen Knott, a page; and Joan Setzer and Shirley Noelck, mother. James Hargrave, a Horace Mann student, and one or more others to be chosen from Maryville Junior High School, will play the part of Amahl.

Shepherds and shepherdesses will be enacted by the college chorus. Mr. Gilbert Whitney is directing the chorus.

Joan Setzer will direct a dance sequence composed of volunteers from the Dance Club.

Mr. L. G. Bladt, of the speech department, is the stage director for the production.

## Thank You!

Once more the total personnel of the college has made HOMECOMING a success. You have earned the high esteem in which you each one is held by your President. The least I can do is to say THANK YOU each and everyone.

J. W. Jones  
President

## 'Charley's Aunt' To Be Presented Twice in November

Be sure to see "Charley's Aunt," the comedy to be presented November 26 and 27 by the speech and drama department.

Cast members include Danny DeMott as Lord Fancourt Babberley, the disguised aunt; Del Smith as Jack Chesney, who is in love with Kitty Verdun, played by Marjorie Canon; Don Evans as Sir Francis Chesney, who is Jack's father and marries the real aunt, Lucia d'Alvadorez, played by Joan Setzer; Dennis Bissell as Charles Wykeham who is in love with Amy Spettigue, played by Eileen Rittman; and Paul Heavlin as Stephen Spettigue, Amy's guardian.

Other members of the cast are Dick K. Miller, as Brasset, and Janice Wilkinson as Ela Delahay.

## Faculty Members Go to St. Louis

President J. W. Jones and several members of the faculty are attending the state meeting of the Missouri State Teachers Association in St. Louis this week.

Last night President Jones attended a meeting of the Committee on Credentials, prior to reporting to the Assembly of Delegates this morning. He will be a platform guest at the third general session Friday morning.

Two other members of the faculty who will attend the Assembly of Delegates are Dr. Dale Blackwell, of the business department, and Miss Mildred Ross of the education department.

Others who will participate in the St. Louis meeting are Mr. Everett Brown, Miss Barbara Wilson, Miss Anne Gorsuch, Dr. Frank Grube, Miss Neva Ross and Miss Kathryn McKee. Dr. Wanda Walker and Dr. Howard George will also attend the meeting.

Alumni of the College will have a reception in the Sheraton-Jefferson Hotel, Thursday, at 4:30 p.m.

## Library Purchases 1,541 New Texts

One hundred twenty-eight feet and five inches of textbooks have been purchased and prepared for use since the first of September, according to Mr. James Johnson, librarian. This figure was obtained from the fact that 1,541 new texts, approximately one inch thick each, were acquired this fall. Slacked on the front steps of the Administration building, they would reach 33 feet, 5 inches above the 95 foot towers.

Most of the new texts have already been issued for students taking courses for which not enough texts were on hand. A total of about 8,000 textbooks have been issued this fall.

## Yvonne Elliott Wins 4-H Trip to Chicago

Yvonne Elliott, freshman home economics major, has been named a winner in the National 4-H Awards program for home improvement projects. This honor entitles her to a trip to the National 4-H Club Congress in Chicago, December 1-5.

Miss Elliott, daughter of Mr. and Mrs. Charles Elliott, is an active member in the Burlington Junction 4-H Club and is a junior leader.

Her trip is sponsored by Sears-Roebuck Foundation, Chicago.

## Sadie Will Come To This Campus For Annual Visit

Al Capp may be considering the abolishment of Sadie Hawkins' Week in the Lil' Abner column, but Sadie Hawkins will come to this campus November 18 to 22.

Sadie Hawkins' week, as the tradition is, means that the fairer sex arranges for dates with the males. The girls not only ask the men for the dates during the week, they also pick up the men and pay the expenses.

On Friday night, the Sadie Hawkins' Dance will be held in the Union building. Of course, the girls ask the men to this affair. In keeping with the Sadie Hawkins' tradition, costumes will be worn to the dance.

Coeds now have a chance to entertain some of those fascinating males sitting near them in class.

Color schemes will be light blue for the first floor women's restroom, pink for the second floor women's restroom, brown and beige for the third floor room and the faculty women's room, and light green for the men's restroom on first floor.

## Miss Cynthia Gooding to Sing In Monday Afternoon Assembly

International folk music will be presented by Miss Cynthia Gooding on Monday, November 11, at 2 p.m. in the College auditorium.

Miss Gooding sings traditional folk songs of many lands with no other help than her hand-made Chilean guitar and her contralto voice. Whether from Mexico, Spain, Turkey, Italy, France, England or her own America, her songs are sung in the particular manner of that country.

Cynthia Gooding was born in Minnesota. She was gifted with an unusual ear for music and learned many old American songs from her grandmother. Foreign language fascinated her. At the age of thirteen, she was so intrigued with a Cuban song that she literally wore out one record from continuously replaying the record so as to memorize the strange words.

### Gooding Has Correct Diction

As soon as she knew the record perfectly, a Cuban friend was asked to hear her sing it and then to translate it for the family. He was amazed at her correct diction.

Her accent was perfect because of her sensitivity to sounds. This gift has enabled Miss Gooding to sing as the natives do and to collect folk songs of many lands.

During a visit in Mexico City when she was in her late teens, Miss Gooding worked in the American embassy. While there she and a group of girls took guitar lessons from a Mexican gentleman, but Cynthia was more interested in his songs, so she learned how to play the guitar and also how to put across some traditional Mexican songs.

### Gave Radio Broadcasts

Upon her return to Rochester, Minnesota, she did a series of radio broadcasts, relating little anecdotes to enhance her songs. She received much applause from foreign language students as well as from the South American pa-

tients in the Mayo Clinic.

Miss Gooding soon added some French and Italian songs to her collection and her recordings became popular. Her secret was singing the folk songs in their original manner. Glamour is found in her personality as well as in her dramatic flair that holds her audience spellbound.

New York was Miss Gooding's next step. She did serious research folk music. The Flamenca, the Gypsy music of Spain, was collected and recorded by Miss Gooding.

Two famous Israeli folk singers taught her old Hebrew songs.

## Dr. Vanderwerf, Chemist, Will Be Assembly Speaker

Dr. Calvin A. Vanderwerf, professor of chemistry at the University of Kansas, will speak in assembly, Tuesday, November 19, at 2 p.m.

He is co-author of two text books of general chemistry and has with his students contributed more than 75 papers to chemical literature. He is now a member of the editorial board of the Journal of Chemical Education.

Dr. Vanderwerf received his bachelor's degree from Hope College and his Ph.D. from Ohio State University. He has served as secretary and chairman of the Division of Chemical Education and has also held many offices in the Kansas City Section of the American Chemical Society.

## Be Courteous, Please . . .

Have you ever been in the position of trying to entertain single-handedly a large audience for nearly an hour? If so, did a large part of the audience get up and walk out before you had finished your program?

Assemblies presented for the student body this fall have, as a whole, been exceptionally good, and student interest and attendance have been high.

At the last assembly, however, a courtesy was shown a performer: Before the completion of the encores, many members of the audience had left their seats and headed for the exits.

Classes which meet during the hour following an assembly do not convene until the assembly is dismissed, and students have time to go from the auditorium to the classroom. Therefore, the rush from the assembly was both discourteous and unnecessary.

Members of the assembly committee hope that this will not happen in the future.

## They're Talking About . . .

THEY'RE TALKING ABOUT . . . these "half-way" tests now playing at your favorite class . . . radiator repairs, antifreeze, and that seasonal change that usually seems to catch everybody talking about the summer vacation . . . Homecoming workers trying to catch up with the Sandman and dust off the books at the same time.

THEY'RE TALKING ABOUT . . . "The Horse" by a six-year old little fellow; how "Oklahoma" was remade and recast into "Missouri" by NWMSC's own green and white-skirted Rockettes; the Late, Late, Late Show—the 1957 Homecoming Variety Show . . . wave of excitement not yet subsiding from last week's hurricane election.

THEY'RE TALKING ABOUT . . . how the dollar has shrunk to the point where it is worth only 50 cents; how the 50-cent-an-hour wages in this college city are then worth next to nothing in terms not so much of labor, but time as well . . . Charley's Aunt . . . Cynthia Gooding, on stage at 10:00 o'clock Monday morning.

THEY'RE TALKING ABOUT . . . lost cars and the bottomless sink holes in the Horace Mann parking lot . . . when the alums came to town, when Maryville belonged to the young in heart, the game Saturday afternoon, and SATURDAY NIGHT!—another Homecoming weekend typed up for the memory files.

### THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## Students Choose Donna Sue Jones In Close Election

Miss Donna Sue Jones was crowned 1957 Homecoming Queen by Jerry Overton, student body president, as the highlight of last Thursday evening's Variety Show following a close election in which 1,025 students cast ballots. Miss Jones was the candidate of Sigma Sigma Sigma sorority and Phi Sigma Epsilon fraternity.

Thursday's coronation was the climax of a spirited three days' campaign which began at the stroke of midnight Monday and lasted until four o'clock Thursday afternoon. Campaign stunts included everything from free coffee to door men.

Other queen candidates were Edith Eckhoff, candidate of Delta Zeta and Alpha Phi Omega; Beverly Murphy, candidate of Alpha Sigma Alpha and Tau Kappa Epsilon; and Sarah Porter candidate of Independent Club.

Queen Donna and her court rode in the Homecoming Parade and had a special box for the football game.

She poured at the "Come as You Are" after-the-game coffee hour at the home of President and Mrs. J. W. Jones. Alumni, faculty, and students were guests.

## Rehabilitation Chief Announces Enrollment Of Veterans in School

"More than 10,000,000 veterans of World War II and the Korean conflict so far have trained under educational progress administered by the Veterans Administration," said Dr. O. Myking Mehus, Chief of the Vocational Rehabilitation and Education Division of the Kansas City Regional Office of the Veterans Administration, in an interview with the editor of the Northwest Missourian. "That is four times the total enrollment in every college and university in the USA," he said.

Mehus was here to confer with President J. W. Jones, Registrar R. P. Foster, Dean Charles E. Koerle, and Mrs. Ruth Nystrom, Assistant Registrar. At the present time there are 251 veterans in the College.

**Dr. Mehus Was on Faculty**  
 Mehus was professor of Sociology and Teachers Training in the Social Sciences here at the College from 1928-39. He left here to become President of the Winona State Teachers College at Winona, Minnesota.

"Of the 10,000,000 total," Mehus said, "more than 7,800,000 (one-half of all World War II veterans) trained under the World War II G. I. Bill. Of these, nearly 50 per cent went to schools below the college level (such as trade and technical schools); more than 25 per cent studied in colleges; and the rest trained on-the-farm and on-the-job.

**More Will Train**  
 Another 1,800,000 (two out of every five Korea veterans) trained under the Korean G. I. Bill. Their numbers will grow as the program does not end until 1965. The Veterans Administration expects the proportion to exceed the 50 per cent participation record of the World War II program.

"A new trend has developed under the Korean G. I. Bill. Fewer veterans have attended schools below the college level (less than 40 per cent) and more have gone to college (60 per cent).

**Some Get Top Level Jobs**  
 Another 162,000 disabled World War II veterans and 48,000 disabled Korea veterans have received vocational rehabilitation training. Some 40 per cent have trained for top level job in professional and managerial fields.

"The Veterans Administration educational program has helped build up America's reservoirs of trained manpower so urgently needed for our Nation's well-being," Mehus said. "Our country has gained immeasurably from the 500,000 engineers, 250,000 school teachers, 170,000 doctors, dentists, and nurses, and 115,000 scientists who learned their skills under the G. I. Bill."

## Student Organizations Present Highly Acclaimed Variety Show

Talent, spirit, and color were the outstanding aspects of the Homecoming Variety Show presented last Thursday and Friday evenings before capacity audiences of students, alumni, and guests. The show was acclaimed by many as the best in recent years.

Masters of ceremonies were the "Four Ivys"—Bob Severson, John Amabile, Jack Little and Jim Taylor.

First place winner was Phi Sigma Epsilon's skit, "No Sweat." Members of the cast were Odie Gate, Narrator; Ron Searcy, Bobbie Bearcat; Mert Beuerman and Willy Van Buren, two porters; Clifton Schmidt and Marlan Ray, mule; Homer Williams, chief; Jerry Overton, Ula Ubangi; and Bob W. Individual acts were an organ-piano duo composed of George and Gary Green, a vocal selection by Marilyn Fulton, an "advertisement" by Sandra MacMillan, and a vocal selection by Nancy Wharton.

## Cloudy Weather Provides Scene For Annual Homecoming Parade

A cold, cloudy morning was the setting for the brilliant Homecoming Parade Saturday, which to many was the highlight of the week-end's festivities.

Led by the color guard and College band followed by the Homecoming Queen and her attendants, the parade began on College Avenue and made its way through the downtown streets.

### Fire Destroys Sig Tau Float

One unhappy event marred the parade when Sigma Tau Gamma fraternity's beauty float hit a power line and burned as it was preparing to enter the parade line-up.

Floats, jalopies, and clowns entered by campus organizations met the high standards set in recent years, despite work schedules upset by illness.

### Flu Forces Band Cancellation

Although almost half of the high school bands entered in the parade were forced to cancel because of the flu, those that did appear put on a fine and spirited show.

Winners of the various events were announced at the dance Saturday night.

The beauty float winners were as follows: Industrial Arts Club, "We'll Win, by Galley," first, \$60 prize;

Alpha Sigma Alpha's "Blooming to Victory," and Tau Kappa Epsilon's "Orchids to the Bearcats," tied for second place with \$45 prize for each; Delta Zeta, fourth, "We Idolize Our Team;" Independent Club, fifth, "Sailing to Victory." Sigma Tau Gamma received \$25 for honorable mention because of their good sportsmanship after their float burned.

### Ag Club Wins With Humor Float

Humor float winners were as follows: Agricultural Club, with "Mules Can Be Skinned," first; Tau Kappa Epsilon, "Mules D-Feeted," second; Alpha Phi Omega, "Our Deepest Regrets," third; Sigma Tau Gamma, "Mules Get De-Feated," and Sigma

Sigma, "Beat 'Em Bearcats," tied for fifth; Phi Sigma Epsilon, honorable mention.

Clowns—(best individual clowns)—Francis, "Bugs" Williams, Phi Sig, first; Gary Smith, TKE, second; Marlene Christianson, Independent, third; Jack Little, Sig Tau, fourth; Delores Berendo, Delta, fifth.

## Indians Must Win to Continue In Race for Conference Title

Cape Girardeau's Indians ride into Memorial Stadium with the thought of scalping the Bearcats Saturday afternoon at 2 o'clock. Cape will have to get by the Bearcats and then the Rolla Miners if they are to finish high in the conference standings.

At the present time, the Indians have just about the best over-all defensive team in the conference. Cape Girardeau leads in fewest points scored by opponents—79, fewest first downs-scored by opponents—56, fewest yards given up in rushing—872 yards, and is third in pass defense with 471 yards allowed opponents.

On the other side of the ledger, the Indians are second in rushing yardage, ranking only behind Rolla.

**O'Keefe and Nichols Lead**  
Statistical leaders for Cape are O'Keefe and Nichols, who have shared the passing chores and have completed 24 of 57 for 42.1 per cent.

Hoffman is the leading pass receiver, as he has grabbed six tosses for 71 yards. Mings and Heeb have four catches apiece for 88 and 78 yards, respectively. Hoffman is also the leading punt returner in the conference and the Indians' Brennecke is fourth in that department.

**Three Have Good Averages**  
Powell, Sanders, and Brennecke are all averaging well over five yards a carry to lead the Indians in toting the ball through the opposition.

In the scoring, Brennecke has produced four touchdowns in conference play to place third with his 24 points.

Preparing to do the unexpected, the Bearcats have been sharpening their passing and have added a new formation, the unbalanced line, to their bag of tricks. Back to full strength once again after playing with one quarterback for the past few weeks, the Bearcats should give trouble.

### Time to Choose!

They're turning into the home stretch and all three have a chance to win the big race. Excitement is mounting, pressure is a nickel a ton, and the crowd roars.

Anyone care to pick a winner? This seems to be an appropriate question at the moment. Rolla, Cape Girardeau, and Springfield all have a chance to win the conference championship which will be decided in the last week of play. Rolla will play Cape Girardeau in the final game of the season as it was rescheduled from October 26, while Springfield watches from the side lines.

### Entire Team Stars In Homecoming Tilt Before 3,000 Fans

Approximately 3000 chilled football fans watched the Maryville Bearcats pick up their first win of the season and the eleventh of twelve homecoming games.

Drawing first blood of the game was Henry Saggau with an 8 yard run with less than 8 minutes remaining in the first period. The touchdown was set-up by another run of 43 yards by Saggau. Kennie Stevens converted the extra point.

Late in the second quarter Mel Gibson fumbled an attempted pitchout, and Warrensburg recovered on the Bearcats' 18 yard line. From there Jim Wilson picked up all the necessary yardage just as the half ended. Kennie Stevens broke through the Mules defense to block the extra point try to leave the score, at halftime, 7-6 in favor of the Bearcats.

**Milner Receives Award**  
Ryland (Taffy) Milner received a set of wood-working tools valued at \$500 as a token of appreciation for the fine coaching he has done for the college.

With 9:20 left in the third quarter Dick Powell dropped a long pass into the waiting arms of Kennie Stevens as he stepped into the open and the play carried for 49 yards and another Maryville touchdown. Stevens converted again for a 14-6 lead. The opening play of the fourth quarter saw Fred Fuhr plunging three yards for the final points of the game.

Mel Gibson once carried for 9 yards to pay dirt only to have it called back. Two touchdown drives were also stopped by Warrensburg, one of which was on the 1 foot line and the other just inside the 5 yard line.

Kennie Stevens and Mel Gibson, both seniors, were awarded trophies for outstanding performance in the homecoming game.

**AN EXPRESSION OF GRATITUDE . . .** was shown when Coach Ryland Milner received a gift of wood-working tools valued at \$500 during the half-time ceremony of the Homecoming game. Roger Grunwald, a former M Club member, made the presentation.

### Random Shots . . .

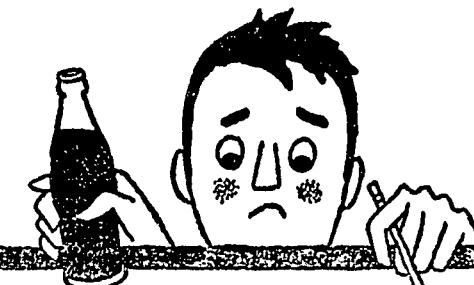

**Ken Stevens, senior end, is tied in the M.I.A.A. conference in pass receiving.** Ken has caught ten passes good for one hundred and seventeen yards. Ken is also among the leading point-after touchdown kickers in the conference.

**Fred Fuhr, who is the leading ground gainer for the Bearcats, possesses a 3.35 yard average per carry.** Fred has carried the ball 31 times for 105 yards in two conference games. He is also the second leading scorer on the team with twelve points scored.

**"Tip" Saggau, quarter-back for the Bearcats, possesses one of the best passing arms in the conference.** "Tip" is the leading scorer for the Bearcats, with 21 points scored, and is second in passing in the MIAA conference. In 48 attempts, he has completed 23 passes for 47.92 per cent.

**Maryville Bearcats are leading in pass defense in the conference.** They have allowed 110 yards less than Rolla, second leading team in pass defense.

Upsets seem to be making the headlines in most of the newspapers but a few of the teams have, thus far, eluded them.

They kept warning me this would happen if I didn't think of some super way to describe that absolutely unique good taste of Coca-Cola. So who's a Shakespeare? So no ad . . . that's bad! But, there's always Coke . . . and that's good!
